JUST EAT IT!

I work as a night watchman in this large department store, and my partner is a young, good-looking brunette named Valerie, believe it or not. I took a lot of ribbing from my friends at first, but they do not know just how accurate their kidding was.

Valerie and I got it on frequently at work, mostly oral sex because she is afraid of pregnancy. You see, I am a man of 56, widowed for over five years. I never even tried to get any young chicks because of my age, but I had this big pile of nudie magazines which I would look through between rounds at work and dream and beat my meat.

When Valerie first saw one of my mags she grinned and shook her head. But, she would go through them with me out of curiosity, sitting beside me at the guard desk, the mag in front of us. "She has a good figure," she would murmur beside me now and then. "Nice titties, cute nipples." Or she would say, "Look how she's holding her pussy open. You could drive a truck into that one!" Or, "My God, look at all the hair that one has!"

Cory Chase, Now that's a woman!

It's been a while since I've seen Cory Chase in a magazine and I gotta thank you for it. She's one fine lady and I wouldn't mind lubing her pipes. I love well-rounded women and she is so perfectly proportioned. Especially her perfect boobs. I don't care if they've been enhanced, They're perfect. I'd suck those nipples until they were hard enough for her to cum, just by licking and sucking them. And that fine ass. It has a great shape and I'd get behind it and pump cock into her until she couldn't take it anymore. And, I could not forget her sexy mouth. Full lips wrapped around my cock as I fucked her throat. She wouldn't be able to take all my nine inches so, I'd have to take it out of her mouth and into her sweet wet pussy. Finally, she would beg for my cock in her ass, and being the gentleman that I am, I'd oblige!

— Bryan G., London, Ontario

One of my favorite photos was of a redhead on her knees and elbows with her bare ass aimed at the camera, showing every secret she owned. One night, when I was gazing at the redhead Valerie said, "What would you do with something like that, Larry?" She was grinning impishly at me.

I grinned back. "Eat it," I said simply.

"You like to eat those things, do you?" she nodded, her eyes shining. "Well, I've never met a female yet who didn't like getting eaten." She turned and walked away, her plump little ass sort of wiggling in the tight seat of her uniform trousers.

We talked about eating pussy a lot after that, and I would get some of the damndest hard-ons. I liked to hear her talk about pussy, but I never dreamed that she would let an old guy like me eat her. She liked getting her pussy licked, she told me, but the guy she was going with wasn't into doing it to her. I was not catching the hints she was tossing nightly to me.

Then, one night it happened. Valerie got tired of

waiting. I was sitting at the guard desk leafing through a girlie mag when she came over and pushed the mag aside, and stepped between me and the desk. She was leaning her cute ass against it, and her swollen pussy mound was near my face, pressing into the crotch of her pants.

“What’s wrong with me, Larry?” she blurted. “Why won’t you do it to me? I’m clean and I’ve waited long enough. What do you want me to do, pay you for it?”

“I didn’t think ... I didn’t know ...” I gaped, understanding then. But she was already undoing her pants, sliding them down her legs. She stepped out of them, and there before me—something like a foot away—was one of the prettiest little pussies I have ever seen, swollen forward, virtually hairless. It was surrounded by the creamy flesh of her belly, hips and thighs.

I looked up and gulped. She smiled back down at me. “You aren’t going to make me wait any longer, are you?” she murmured. She lay back gracefully on the desk top, her knees lifting and opening in warm invitation. I saw her little cunt in all its beauty; the short coral-like lips of it, the taut, wet crack, the curly brown hair lining that crack, the lower cheeks of her lovely ass.

I grasped her naked hips with my hands and

leaned forward, still unable to believe it. To say that I devoured her pussy is an understatement at best. She had two great big orgasms, twisting her ass and climaxing in my face, crooning softly to me both times.

We were both late in checking in at the clock stations at the proper time, but we told the boss that we were investigating a suspicious sound and simply did not get to them on time. Luckily, he bought the story.

I bet I have eaten more delicious cunt in the past six months than any guy in the city. To say that Valerie likes her pussy eaten is a complete understatement too. I have never known a chick to be as wild over getting eaten as Valerie is. She will give me some good head too now and then, and once in a great while we even fuck. But, her favorite is being cunt-lapped. I’m not bitching, either.

We even have a little hide-and-seek game that we play once in a while. Valerie will strip and hide someplace in the store, and I go on the hunt of her. If I find her she has to let me do what I want on the spot. We get a big charge out of that game and we have a blast.

— Mr. L. A., Seattle, Wash.

FIRST AID

I was alone and just puttering around the house when Nina, our next door neighbor, called. She seemed excited and asked for my wife. I told her that Betty was out shopping. She hesitated for a few seconds and then asked me if I had any bandages.

I told her I would get the first aid kit and come right over. I grabbed it and raced across the space between our yards. I didn’t bother knocking, but barged right in. Nina was sitting on the

sofa, with no obvious injuries. She was laughing hysterically. I didn’t know what to make of it, so I stood there staring at her until she stopped laughing long enough to explain.

“I’m sorry,” she giggled, “you thought I was hurt. The bandages are for my costume.” Then she was laughing so hard she couldn’t continue. I was more confused than ever. She patted the seat beside her and signaled for me to sit down while she caught her breath. “They are for my nipples,” she blushed.

“What?” I sputtered, sure that my ears were playing tricks on me. “I’m going braless and if I don’t cover my nipples, the little devils will poke out all evening. It embarrasses me to run around with my nipples hard, but I can’t help it.”

My eyes moved automatically; I couldn’t help staring. Both of her nipples were hard and the shirt she was wearing was so thin that I could see the entire pink areolae. Pretty quick, her nipples weren’t the only thing that was stiff. My cock was jumping like crazy in my pants.

“I’m sorry,” she said as she again blushed and put her hands over her big beautiful boobs. Watching my sexy neighbor holding her boobs only made my dick even harder. My mind told me to run, but my cock said stay. My cock won!

I guess the excitement was getting to her too. Because before I could escape, she grinned and pulled her hands away from the sweet tits. "You wanna help me put the bandages on?" she whispered.

In my heart, I knew that if I touched her big, soft breasts, I wouldn't stop there, but I was too horny to refuse such a delightful offer. As soon as I nodded my head, Nina gave me a sexy smile and pulled her shirt over her head. Her tits were even bigger than they appeared under the shirt. The nipples were standing tall; each one was the size of the tip of my little finger.

I was too horny for any more games, so I leaned forward and took one of the delicate nubs into my mouth. She moaned and pulled my head tightly against her chest, stuffing most of the huge boob into my sucking mouth. Then she started coming. I mean a moaning, groaning, back scratching orgasm.

I was flabbergasted and at the same time so excited that I shot off in my pants. When we stopped coming, I was able to realize that I was too close to home to be fooling around. I did apply the bandages to her tits before I left. My reward was a kiss that tickled my tonsils.

"Come again," she purred as she opened the door to let me escape. I promised myself that it wouldn't hap-

pen again. But, I can't stop fantasizing about Nina's hair-trigger tits.

CASINO CRAZIES

I know your magazine and have written before, but this is a good one that you just have to print. My name is Eric and I was to meet two of my friends at a casino in Connecticut where we were going to play at the tables for a couple days over the July 4th holiday. I checked into my room and waited for their call to hit the tables. That came about 9pm and I met them at the poker table.

Darrek was already there and then Taylor shows up with this bangin' babe on his arm. He introduced her as Maya and we all sat down at the table. After a couple hours of mostly losing hands we abandoned the table and went to the bar for some drinks. Maya excused herself for the powder room and we started jiving Taylor about bringing a chick to our boys night, but he told us that she was newly divorced and full of sexual

frustration and needed to get away from the grind so he suggested here.

Fifteen minutes later Maya comes back, but has another hot chick with her. Settling down at our table, she introduces her as Jessae and that they work at the same firm. Jessae is a blonde girl about 5' 6" with a very buxom figure with a very oversized ripe ass. So we drank and talked until about 2am until we all decided to go up to Taylor's room to continue the party.

Eventually Maya and Jessae started getting friendlier with us and we were right on it. Taylor started undressing Maya and Jessae joined him as Darrek and I watched. From that moment on the heat began. The two ladies were about to be totally consumed by us three. Maya told Taylor that she wanted to suck his cock while we watched. He pulled it out for her to wrap her lips around. She looked at his rock hard chocolate stick and licked her lips, knowing that we were waiting our turn. She then greedily sucked the head into her mouth and slurped her way down his

long cock. He moaned with surprise and mentioned he could not believe how good she sucked cock.

She kept on sucking him and he warned her that if she did not stop, he would be shooting soon. In the meantime Jessae had settled herself between Darrek and me and we pulled out our cocks as she stroked and licked them. Jessae gave great head and seeing her blonde hair bobbing up and down on our shafts made it even hotter.

The two ladies switched and Jessae went to Taylor and Maya came over to us and the bjs continued for the next half hour. We all came with Maya taking us both in her mouth I passed out and don't remember anything else except that I woke up with a splitting headache and my cock hanging out of my zipper. The girls and Darrek were gone and Taylor was still asleep. I slipped out and headed back to my room. Darrek called about 8pm and said he was with the two girl and they wanted to get fucked since we all passed out last night. Well, at 8:01 I was knocking on his door.

— Eric, *N.Y.C.*

We think Syren is one of the loveliest ladies to grace our pages.

With cheeks worthy a paragraph each, and tits that'll leave you drooling, her curves are something to behold. And for her age you know she keeps it all fit. It's not just how her body looks that will leave you wanting.

Wait until you see what this little fuck machine can do.

Syren

She always starts with a blowjob as long and hard as the dick she's sucking. Then it's anyone's guess as to which hole you'll end up in. For fun, she lets you feel how wet her pussy is, but if she's feeling extra playful, you'll get a piece of her tight ass.

Healthy Snack for a Hot Hippie

I ASK TRIVIA QUESTIONS FROM MY LIBRARY DESK AND REWARD THE WINNERS.

His stench punched me in the face, a pungent blend of urine, malt liquor, and stale tobacco. We get a lot of homeless people here at the municipal library. I figured he wanted to use our phone, perhaps beg for spare change.

Imagine my surprise when he answered our most recent trivia question—the capitol of Honduras—earning himself a free snack from our stash.

“Tegucigalpa,” he said proudly, pronouncing the word perfectly.

I proffered the snack bowl. He opted for a package of miniature chocolate chip cookies, then walked away. I figured he must’ve been a Geography teacher in a past life, long before he succumbed to the bottle.

Trivia Day, the first Friday of the month, wasn’t exactly hard. If a patron didn’t know the answer, well, there were plenty of resources at their disposal.

The forthcoming weekend was a bittersweet prospect. Sure, it had been a long week. I was tired and ready to relax. Unfortunately I was going to be relaxing alone, this due to a recent break-up with my longtime ladyfriend.

I tried to lose myself in rote tasks, anything to help me forget about the dismal state of my love life. Luckily there was plenty to do at the library.

I assisted an elderly patron with the photocopier, helped a technologically-challenged computer user set up an email account, and provided a list of crime fiction authors for a retired postal clerk.

The day progressed in this fashion. Then it was time for another question. I picked up the phone,

pressed the “speaker” button, and let her rip—

“Attention, patrons! It’s time for our next trivia question, so listen closely!” I paused for dramatic effect. “What is the world’s fastest land animal?”

I hung up the phone. It wasn’t long before the unmistakable scent of patchouli, lots of patchouli, entered my world. Some young hippie chick with a nose ring and dreadlocks stood at the reference desk, waiting patiently for assistance.

I flashed an amicable

smile. “Can I help you?”

“Yeah,” she said, “I know the answer to the trivia question . . .”

“I’ll be the judge of that.”

“The fastest land animal is,” she said with much panache, “the cheetah.”

“Correct.”

“What do I win?”

I retrieved the snack bowl. “Knock yourself out.”

She sifted through the junk food, trying her damndest to find something to her

liking. No suck luck. She looked at me and frowned.

“I can’t eat any of this stuff.”

“Why not?”

“I’m vegan. These are made with milk and eggs.”

It didn’t surprise me. She looked like a vegan, a decidedly hot vegan. Now, trying to console my trivia winner, I apologized. “Next time I’ll be sure to have plenty of vegan options.”

“This sucks, dude. I’m really hungry.”

BLAIR-NTS-09

I thought about the weekend ahead, the depression that was sure to surface as I sat there in my apartment all alone. No girlfriend. Not even a casual fuck buddy.

I felt bad for her. Winning fair and square, she was entitled to a snack.

I thought about the weekend ahead, the depression that was sure to surface as I sat there in my apartment all alone. No girlfriend. Not even a casual fuck buddy. And while I had never been particularly bold with women, my desperation infused me with courage. Go for it, I thought. What have you got to lose?

"We close in an hour," I said. "Stick around and I'll buy you dinner at that new vegetarian joint just down the road . . ."

"Sure thing." She smiled. "That sounds nice."

Over dinner I learned that her name was Greta. She was nineteen, a student at the local community college knocking out her prerequisites with hopes of transferring to some fancy art school up in Vermont.

She ate every last bite of her falafel wrap. "Thanks for dinner," she said. "I really appreciate it."

"You earned it."

"Where to now?"

"I'll drive you back to the library."

"That's no fun."

She said. "I have a better idea."

Greta's backpack was on the floorboard. She unzipped it, reached inside amongst the books and papers, and produced a glass chillum pipe.

"Care to get baked?" she asked.

I hadn't smoked pot since college. I remembered it making me extremely horny. Would it have the same effect on Greta? Would a few hits make her rip my clothes off? There was only one way to find out.

"Let's do it," I said.

I drove to a public park not far from the library. The place was deserted at night, the parking lot empty. Greta packed the pipe with pot. She handed me the whole works, pipe and lighter, telling me to fire it up.

We proceeded to get higher than giraffe pussy.

We smoked two bowls in my car, chatting and laughing and having a great time. Greta peered through the windshield, eyeing the deserted park with longing, lapsing into a rather melancholic state.

"Are you okay?" I asked.

"I guess," she said.

"You seem down all of a sudden."

"I was just thinking about my ex-boyfriend. We used to make out in this very park. In fact, this is where I lost my virginity . . ."

"To him?"

"Yeah," she muttered.

I didn't know what to say.

"He turned out to be a jerk," she said.

"I'm sorry to hear that."

"It happens."

"Yes," I said, "it does."

Greta apologized for being so morose. I told her it was no big deal. Clearly she was a sensitive artist. I tried to veer the conversation in that direction, hoping to get her talking about her passion.

"Tell me about your work."

"What do you want to know?"

"Whatever you feel like sharing."

"Actually," she said, "I don't like talking about my work."

"No?"

"I'd rather show it to you."

"I see."

"Everything is in my dorm room."

"Your dorm, huh?"

"Yeah," she said. Then, "Come on. Let's go."

I was surprised. After all, we had just met. She didn't know me at all.

"Sure," I said. "If that's cool with you."

Greta placed her hand on my thigh and gave it a squeeze. "It's totally cool."

Her dorm room was nothing fancy, typical for a state school.

Greta's roommate was out for the evening, she

explained. Fine with me, I thought. The room was tiny, much too small for three people. Hell, it was too small for one person. But I was spoiled. It had been a good number of years since I had lived in a dorm. Adulthood had skewed my perspective, imbuing me with much higher standards.

"Have a seat," she said. "Make yourself comfortable."

I sat on her unmade twin bed.

A poster on her wall read: MEAT IS MURDER

"Meat," I read, "is murder."

"It is," she said.

"I guess that makes me a killer, huh?"

"Do you eat meat?"

"I do."

"Well," she said, "I have a confession to make."

"I'm listening."

"I like meat, too."

"But you said you were vegan."

"Oh, I don't eat it."

"Now I'm confused."

Greta smiled. "Let me clear things up."

Clarification arrived when she joined me on the bed and unzipped my khakis. Greta pulled out my cock and proceeded to suck it. I leaned back against the wall, running my fingers through her dreadlocks as she blew me with expert skill.

She had lost her virginity just last year. But she had been sucking cock for a lot longer; no doubt about that as she gave seriously good head.

Lips clenching my prick, she pumped her head up and down. Then, after coming up for air, she licked

my shaft, running her tongue up its turgid length, base to cap, with delicious slowness. She even serviced my balls, sucking each one lovingly while stroking me with her hand.

I couldn't believe my good fortune; all because I had failed to buy vegan snacks for Trivia Night!

Greta looked at me hungrily. "I'm ready to ride this meat stick . . ."

She stood before me, kicked off her hemp sandals, and lifted the hem of her sundress. Greta wasn't wearing underwear. She posed, granting me an unobstructed view of her unruly bush. She had the hairiest beaver I had ever seen. She turned around, leaned over her book cluttered desk, and showed me her ass. It was a spectacular ass—skinny, tight, the ass of a fit nineteen-year-old. I started tugging my cock.

Greta came forward to straddle me. She sat in my lap, effectively impaling herself. She was tight and wet and hot. She rode me hard as I squeezed her ass cheeks and thrust, pumping up into her hairy hole. The spaghetti straps on her dress slid down her shoulders, exposing small tits with large pink nipples. I licked each erect bud, suckling them as she continued to ride me with savage lust.

My orgasm approached. I could feel it building. It wouldn't be long now. Greta sensed this; she stopped riding me, allowing me to recoup my senses, but only for a little while. A few minutes later, we were back at it, fucking like there was no tomorrow.

Greta had moved to her desk, sweeping books and papers to the floor to make more room. Now she was splayed upon its smooth surface, her skinny legs spread as wide as they would go. I stood there, khakis bunched around my shoes, and banged her bushy box with forceful thrusts. I grabbed her ankles and pushed her legs back, bending her like a taco, all the while reaming her hairy cooze.

"Come for me, baby," Greta said. "Bust that nut."

I did just that, pulling out and holding my cock inches from her face. Greta opened her mouth. I erupted, spewing spunk all over her face and glazing her tongue.

She swallowed every last drop.

We still have Trivia Day on the first Friday of each month.

I always have plenty of vegan snacks on hand for Greta. Thankfully they have yet to spoil her appetite for my cock.

Anita sent us some photos of her in a jungle setting. We liked what we saw and asked her to do some other shots we could run in our magazine.

She agreed, "I wanted my shoot to be done in red. Red is the color of love, of lust, and of hotness.

Anita

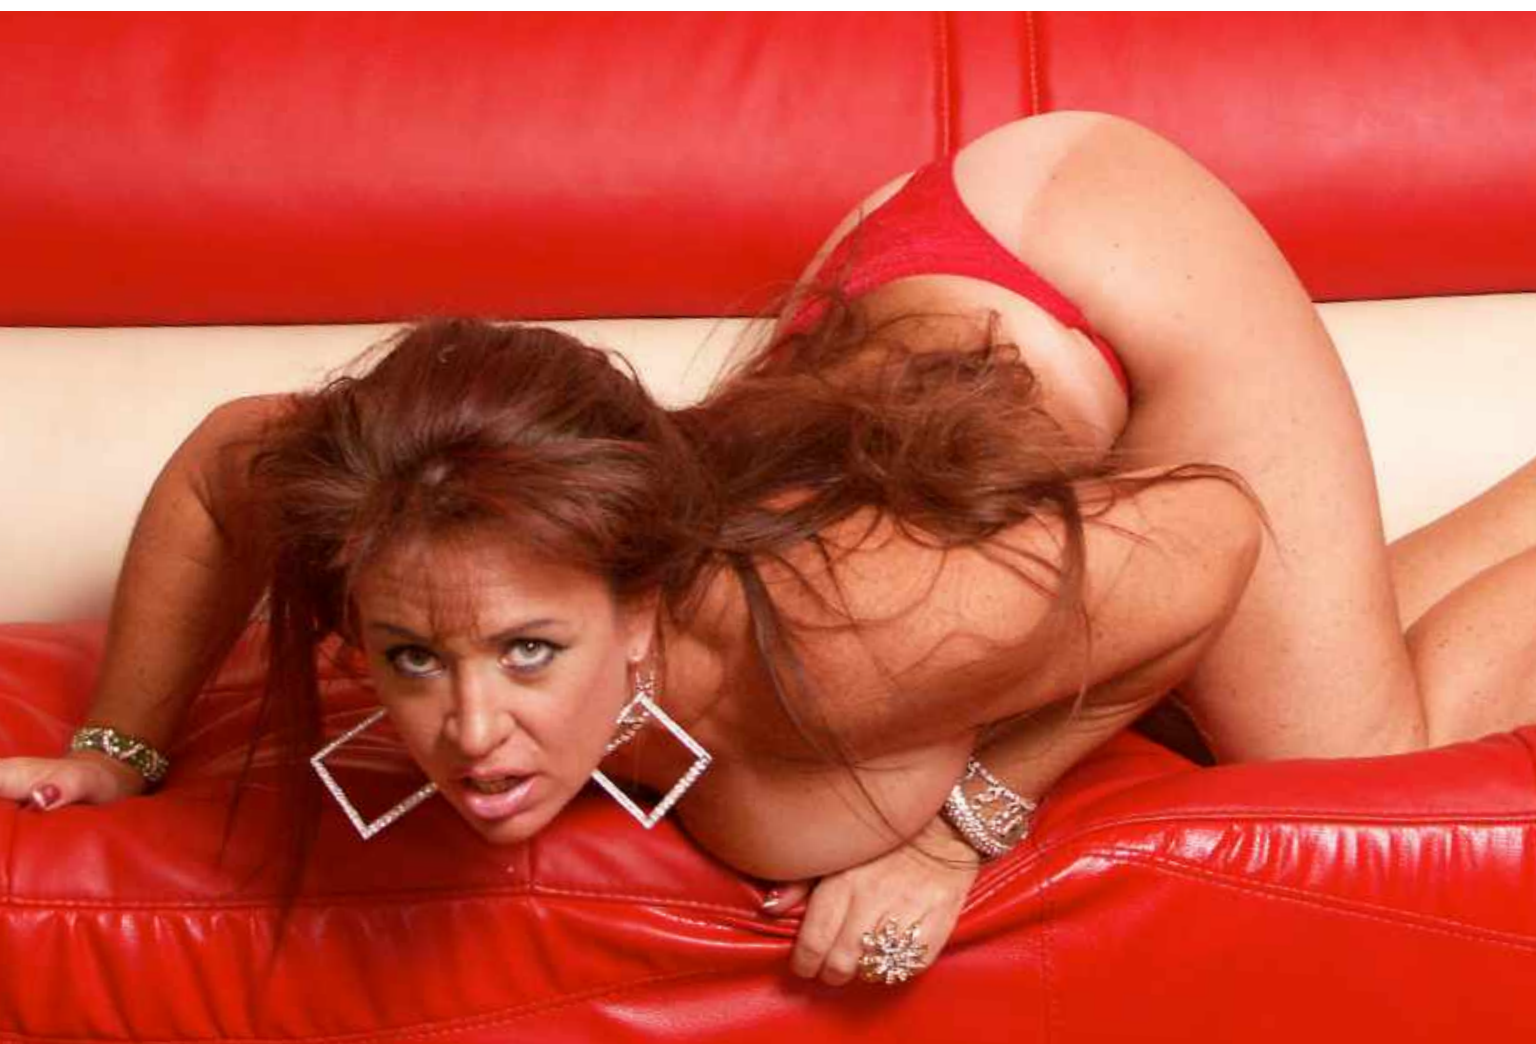

I loved the simple set because the focus would be on me. I tried to suppress my animalistic tendencies, but by the end of the shoot it was hard to do. I just had to let it go and let the minx come out in me."

We agree that it was hard to take the animal out of Anita, And we like it that way.

*I'm still quite limber.

Dancing can be such a frustrating task when your partner is just so sexy. Seeing Winnie's body move can drive you crazy and your pants start to get tight. It's not till you're alone in the back room and you feel how wet her panties are that you understand the full meaning of "it takes two to tango."

Winnie

Waiting until everyone else is gone and turning around to see her tits out and her dress hiking up has to be a sight to behold. The dance floor isn't the only place she's got moves. The way she works that mouth and body is absolutely breathtaking.
